ABOUT THE ORGANISATION

Central Academy Education Society Ajmer was founded by Late Pt. T.N. Mishra in the year 1988 His mission was the inception, dissemination and extension of knowledge. Our President Dr. Shobha Suman Mishra is steering the wheel of Central Academy Education Society, Ajmer having overseen the organisation grow through these years. Central Academy Education Society, Ajmer started Central

Academy Teachers Training College (Co-Educational) at Ajmer from 2006 with B.Ed. Further, the college started M.Ed. in the year 2016. The college has been accredited 'B+' Grade by NAAC in its second NAAC Cycle in 2025. The first and foremost aim of this college is to prepare teaching community to face the challenges of this honourable profession. Having consistently sought 100% admission and 100% results through these years, grabbing numerous merit positions at university level, thus marking itself as a leading teacher training institute in Ajmer. Along with the Teachers Training College the society is currently operating a Degree College, Central Academy Institute of Higher Education Ajmer offering BA. & B.Sc. courses. Also two senior secondary schools, Central Academy Ajmer, Central Academy Kekri affiliated to CBSE & RBSE respectively, are under its aegis. An NGO Roshnee Sewa Sansthan' is being operated by the society that works for social welfare, particularly, in the field of education.

ABOUT THE University

The Maharshi Dayanand Saraswati University, Ajmer is a comparatively young University of the country which came into existence on 1st August, 1987. Ever since its inception the University has for the last 37 years never settled for a slow pace - it has steadily and successfully marched on the road to development attaining several milestones during its journey of growth and progress. There has been an astonishing growth in the University infrastructure which includes magnificent buildings, Hi-Tech Science Laboratories, a state-of-the-art Computer Centre, a prestigious Central Library, an Administrative and Examination Block, separate Science, Social Science, Environmental Science, Commerce and Management Blocks and a highly impressive Vice-Chancellor's Secretariat. There has been a simultaneous increase in the number of affiliated colleges and the academic scenario has reached new horizons. There are promising job oriented courses and intensive research oriented programmes. There are also Self Financing Courses in several teaching Departments. The University is accredited as B++ by the National Assessment and Accreditation Council (NAAC), Bangalore in 2017. The University Library is unique and the first in the State being fully automated since June 2003, having technical and financial support of the UGC's INFLIBNET Centre, Gandhi Nagar.

ABOUT THE FDP

The Internal Quality Assurance Cell (IQAC) of Central Academy Teachers Training College is organizing by Five Days Faculty Development Program (FDP) on “Advanced Research Methodology and Academic Writing ” from 25/08/2025 to 29/08/2025. The five-day FDP envisages to provide its participants with a comprehensive understanding of research methodology and its application. Its objective is to introduce participants to cutting-edge research techniques and research-based instruction. FDP is an effort to examine a variety of research methods, including quantitative, qualitative, and mixed methods. FDP to enhance the ability of the participants to conduct independent research, to develop skills in conducting research, literature review, acquaint them with various tools of data collection and effective use of various tools and techniques of data analysis, identify research problem, use of ICT in research. Applying ethical practices in writing and publishing. Assist once in writing research articles for high calibre publications.

LEARNING OUTCOMES

After this Online Faculty Development Program, the participating faculty members and research scholars, irrespective of their disciplines, will be aware of quantitative, qualitative, and mixed methodologies in research and publication ethics. Their theoretical understanding and practical perspectives will deepen. They will be proficient in emerging trends in research methodology and design their prospects. Among the many desired outcomes of this Online Faculty Development Program is the collaboration between faculty members and researchers from various disciplines across the nation. The participants have to self-practice. Mentors will be available to solve the queries and aid during practice.
